PO Box 461, Sunbury, Victoria, 3429

Training Ground: Boardman Reserve, Mitchells Lane, Sunbury, 3429

Membership Enquiries: 0424 251122

Thank you for enquiring about our club. If you have a new puppy or an older dog in need of obedience training, Sunbury & District Dog Obedience Club can help you.

Our club is run by experienced volunteers who are trained to provide you with all the tools you require to train your dog to become an obedient and well behaved member of your family. Our club uses positive training methods which are rewarding for both the handler and their dog.

### **NEW MEMBER INFORMATION**

As a new member, once your membership has been arranged, you will be required to complete a handler's introductory class. At this class you will be given details of the instruction offered and information about what you need to do as a handler to get your training off to a quick start. The introductory class is run **twice every month** and members wishing to join the club should ring the membership enquiries telephone number 0424 251122 and book into our next class as soon as possible.

At this introductory class session you **WILL NOT** be required to bring your dog. A short presentation will be made in order that you fully understand our training methods and we will also provide you with valuable information to help you understand why your dog behaves in the way he or she does.

On completion of this introductory session you will be equipped to commence the practical training sessions the following week and held every Saturday at 2pm (except Easter). In these training classes you will be given clear practical instruction so that you can continue to train your dog at home between training days.

We also provide opportunities for you and your dog to socialise safely and give you the opportunity to discuss specific problems you may be having with your dog.

If you are now ready to join us, please complete a NEW MEMBERSHIP FORM, which is available for download on our website at <http://www.sunburydogobedience.com> or available for completion at the club on training days.

Please attend the club your first day **no later than 1.30pm** so that we can complete the necessary paperwork and issue you with your club membership prior to commencement of the training classes. Details of our current membership fees are also available on our website.

Please note that it is a requirement of our club that **current vaccination documents for ALL DOGS** (whether training or not) that will be present at the club on training days must be sighted by an official of the club. Unfortunately you will not be able to commence training until this requirement has been met.

If this still does not convince you to join us on Saturdays, why not bring this letter to the club any Saturday at 1.30pm and we will discuss your requirements with you and give you a chance to view our members in the training environment.

We look forward to seeing you at our club in the very near future, but should you require any further information, please do not hesitate to contact us.
